

MAYBE IT'S TIME FOR YOU TO STRIKE OUT ON YOUR OWN...

At the end of the day, your education is for you. Your story should feature opportunities for you to test yourself in a variety of ways. Whether it's stretching across the finish line ahead of your most dreaded opponent, watching the secrets of literature unfold before you with a book recommended by your teacher, or learning that a little more practice does make the song sound better, we are committed to providing you every opportunity we can to let you test your limits.

OR MAYBE IT'S TIME FOR YOU AND YOUR SIDEKICK TO TAKE CHARGE...

Sometimes you don't want to go it alone. That's why we try to make sure you've always got someone there with you. It might be the training partner who knows you've got one more rep in you, the classmate who knows you sometimes ignore your comma rules, or your Link Leader who remembers what it was like to be a freshman. It is important for us to help you make connections so you don't have to do it alone if you would rather not.
